# **MINI MARATHON 2024**

**Friday 27th September 2024**

Dear Parents/Carers,

Once again, we would like to ask the children to raise money to add to our ongoing school development projects.

The Mini-Marathon has been an annual event and is now in its twelfth year. The children have great fun either running, jogging or walking around the perimeter of the school. Children can be sponsored per lap or with a one off payment for taking part.

Approximately half the cost of our fantastic playground equipment (£35,000) was raised through previous Mini-Marathons along with a defibrillator for the school.

We are hoping that each child will aim for around £20 in sponsorship. However, any amount, however small, will be a valued addition. We thank you in advance for your co-operation and your children's participation in this event.

On the day, the children will receive a lap-counter that they will bring home to help calculate sponsorship money.

Every child who takes part will receive a participation medal and there will also be a Bronze, Silver and Gold Medal awarded to the fastest or most laps achieved by each boy and girl in each year group (max 30 laps see sponsorship over).

**Please return sponsorship money to the school via SCHOOL GATEWAY – Thank you in advance.**

Yours sincerely,

Aaron Hynds  
Sports Co-ordinator
