

NEW PTA VOLUNTEERS NEEDED

Our PTA chairs are stepping down at the end of the Summer '24 term

The school and our school community are looking for new volunteers to lead the PTA fundraising efforts from September '24

Help make a huge difference!

The PTA has a strong team of existing volunteers in place so you'd be well supported.

This could be one, two or a few - it's definitely better with a friend!

For more information and a chat about what's involved, email your interest (not commitment) as leads or as general volunteers on:
