Anaphylaxis Information

Dear Parent or Guardian,

We are writing to inform you that we have decided to adjust our auto-injector policy back to store them all centrally in an un locked cupboard in our school office, with a spare auto-injector stored centrally in our year 6 block (as this is furthest away).

For school trips both children's auto-injector's will be taken (if the child has two at school) as well as one of the school spare auto-injectors. A school spare auto-injector will always be present on site. This is the same for all visits to the bottom field for PE.

Please do not hesitate to contact us should you have any questions regarding this.

Many thanks,

A handwritten signature in black ink, consisting of a stylized initial 'D' followed by a long horizontal line.

Darren Armoogum
Headteacher
