

Treasurer Opportunity

The PTA are looking for a dedicated individual to join the Parent Teacher Association (PTA) as our new **Treasurer**. This is an exciting opportunity to make a meaningful impact on our school and help support initiatives that benefit our pupils, teachers, and community.

The role involves overseeing PTA finances, including accounts & budgets, and ensuring transparency in all financial matters. If you have a background in finance or accounting, we would love to hear from you! The role would probably take up a couple of hours a month and we are looking for someone to start in June.

If you are interested in getting a bit more information or chatting to the current treasurer, please contact Kerry Seye at pta@bernardsheathjnr.herts.sch.uk. We look forward to welcoming a new Treasurer who is ready to contribute to our school's success!

Thank you for your support!
