

Dear Parents and Carers,

We're excited to be developing a Community Hub at school - a welcoming space where families can access essential items and feel supported by our amazing school community.

**The Bernards Heath Hive** will be open to everyone and we want it to be up and running for the new school term in September.

To make this possible, we're kindly asking for donations of the following new items. Please drop items off with the school office. Every single contribution, no matter how small, will help make a real difference to a local family. **Thank you for being part of such a caring and generous school community.** 🍯

Shampoo  
Conditioner  
Shower Gel
