Maths Information Evening Wednesday 12th November at 7pm

Dear Parent/Carer,

All parents are invited to a Maths Information Evening on Wednesday 12th November at 7pm. The purpose of the evening is to share information about our Maths Scheme and the structure of our learning sequences. We will share the calculation policy and talk through progression of methods. Finally, we will share information about curriculum adaptation and our assessment procedures across the school.

This evening will be led by Mrs Dench and Mrs Withers and is suitable for all parents from Year 3 to Year 6. It should last approximately 45 minutes.

Please complete and return the slip below, if you would like to attend.

For any parents unable to attend, the slides will be emailed to all parents after the evening.
