21 st March	World Poetry Day
2 nd April	Year 4 Production
4 th April	TERM ENDS AT 1:30 PM

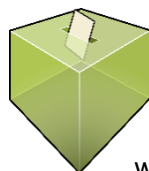

Moonlit Wellbeing Trip

Last week, selected children from across year 4, 5 and 6 visited the Museum of the Moon artwork at St Albans Cathedral by Luke Jerram. The children took part in a yoga session and mindfulness activities under the installation and learnt about how the moon had come to be in the cathedral! They then took part in a trail around the cathedral spotting items connected with the moon. The children were a credit to the school and were very respectful and particularly enjoyed the yoga session.

I would urge you also to visit to marvel at the beauty of the moon or join one of the many activities and events that will be taking place in moonlight, including yoga sessions, concerts, talks and more. More information about these things can be found on the cathedral's website.

Parent Governor Elections

We have received more than two parent governor nominations.

Therefore, it will be necessary to hold an election and ballot. Papers will be sent out shortly.

First Aid Medications

If your child has asthma, please make sure that your child has an **in-date inhaler** in their **school bag at all times**.

Please can you ensure that all medication held in school for your child is in-date, for any queries regarding this please contact Mrs Parry.
