Dear Parent/Carer,

RECORDER LESSONS

As many of you will know all the children in Year 3 at Bernards Heath Junior School begin to learn the recorder as part of the school curriculum. They continue to play as they move through the school, and are able to contribute to the musical life of the school more and more as they grow older.

By the end of the first year most of the children are able to play tunes, which they know, and all have made a good start in the reading of music. Those who already learn the ocarina are able to further develop their skills and they are all well prepared for learning another instrument, should they wish to do so.

The children will need to have their own recorder. Recorders cost **£5.00** and may be purchased from school. We would also like the children to have a music bag or plastic wallet to keep their music items in. Black music bags (similar to a book bag) cost **£5.50** and plastic wallets cost **25p**

All of the above items are available to purchase, please complete the form below to pre-order. They will be available to collect in September. We will ask you to pay for your items in September via School Gateway.

We look forward to working with your child. We hope that you will fully support us by ensuring your child has the appropriate equipment for each lesson and by reminding him/her to practice regularly each week.

Yours sincerely,

Sian Kilpatrick
Headteacher
